## Joint Propulsion Conference, Exhibit begins Sunday at VBC

The 36th Joint Propulsion Conference & Exhibit will be Sunday through Wednesday at the Von Braun Center. Bus schedule information is on "Inside Marshall." A complete schedule of speakers is located on the Web at: <http://aiaa.org/calendar/joint00prog.html>

NASA Space Shop, Bldg. 4752, will close at 3 p.m. Thursday, reopen 10 a.m. Friday

LabVIEW Users meet 11:30 a.m. Thurs., Bldg. 4203, room 4002. Call 544-1694

## No taxi service at Marshall Friday afternoon

Due to the numerous special transportation requirements to support the Centerwide Open House Awards Celebration Friday, there will be no taxi service on the Center after noon.

## Safety Bowl questions

1. If someone becomes exposed to a workplace chemical, how do you find out what to do?
2. How should you clean a cutting board after it has been used to cut raw meat?

\*See answers below.

Marshall Assoc. lunch 11:30 a.m. July 20, Bldg. 4203 cafeteria. Call 544-6340

### Answers to Safety Bowl questions

1. Check the Material Safety Data Sheet for first-aid information
2. Wash thoroughly with soap and hot water, and sanitize with a mild chlorine bleach solution
